

MEMBER OF THE STATE ASSEMBLY, 70TH DISTRICT

NAME: MELISSA FOX

AGE: 42

OCCUPATION: Small Business Attorney

Are you tired of sending representatives to Sacramento who just play political games and never fight to bring our tax dollars back to Orange County?

As your representative, I will bring a fresh, independent perspective to the Assembly. I am an Orange County native, a small business attorney, and a mother with a child in public school. For more than 18 years I've been standing up for small businesses. I will bring that fighting spirit to Sacramento, working for better schools and to create new jobs and economic growth in our community.

My top priorities will be:

Reigniting our local economy by growing businesses and jobs.

Fighting for our schools, colleges and universities so that they are the best in the nation.

Fighting for tax fairness and against any tax or fee that unfairly hits our overburdened small businesses and middle-class.

Fighting for seniors, retirees and the vital home health services that allow them to live in dignity in their homes.

Protecting our ocean and beaches.

Keeping our police and firefighters on the job.

Ending the power of lobbyists and special interests to make backroom deals; restoring accountability and responsibility to Sacramento.

Key Endorsements:

Irvine Mayor Sukhee Kang and Council Member Beth Krom, Laguna Beach Council Members Verna Rollinger, Toni Iseman and Jane Egly; Tustin Council Member Deborah Gavello.

I ask for your vote and pledge to provide the integrity and leadership our community deserves.

We can and will turn our state around.
