

CALENDAR OF EVENTS FOR COUNTY MEASURES

June 2, 2026 Statewide Direct Primary Election

Shown below is a sequence of events, including statutory deadlines and Registrar of Voters' administrative deadlines, leading to the Statewide Direct Primary Election on June 2, 2026. This sequence shows the actions the Board of Supervisors would need to take to place a countywide measure, including one proposing to amend the County Charter, on the ballot.

The recommended administrative deadlines will enable the Registrar of Voters to establish deadlines for the submittal of filings related to a measure, which provide a reasonable time to prepare the election material, the full 10-day public examination periods for the submitted filings, and sufficient time to resolve a petition for writ of mandate challenging any of the election materials without substantially interfering with the conduct of the election.

It is statutorily permissible for the Board of Supervisors to order a countywide measure election up until 88 days before Election Day. If the election is ordered less than 109 days before Election Day, the Registrar of Voters would endeavor to conduct the election as ordered and would set expedited filing deadlines for election materials. Even with such shortened deadlines, there would not be much time left for a court to resolve a legal challenge without impacting the conduct of the election.

All statutory references are to the Elections Code, unless stated otherwise.
