

**CALENDAR OF EVENTS FOR ORANGE COUNTY DISTRICTS  
NOVEMBER 5, 2024 PRESIDENTIAL GENERAL ELECTION  
For District Use Only**

Shown below is a sequence of events, including statutory deadlines and Registrar of Voters' administrative deadlines, leading to the Presidential General Election on November 5, 2024. This sequence shows the actions a District Board of Directors would need to take to place a district measure on the ballot.

The recommended administrative deadlines will enable the Registrar of Voters to establish deadlines for the submittal of filings related to a measure, which provide a reasonable time to prepare the election material, the full 10-day public examination periods for the submitted filings, and sufficient time to resolve a petition for writ of mandate challenging any of the election materials without substantially interfering with the conduct of the election.

It is statutorily permissible for the District Board of Directors to order a district measure election up until 88 days before Election Day. If the election is ordered less than 109 days before Election Day, the Registrar of Voters would endeavor to conduct the election as ordered and would set expedited filing deadlines for election materials. Even with such shortened deadlines, there would not be much time left for a court to resolve a legal challenge without impacting the conduct of the election.

All statutory references are to the Elections Code, unless stated otherwise.
